To,
The Principal,
SGSPS Institute of Pharmacy,
Akola.

Subject – Seeking permission to visit your esteemed institute to First year MD/MS students of our college.

Respected Sir,

As per the syllabus (CCIM, New Delhi & MUHS, Nashik) of First year MD/MS students, it is mentioned that the students should observe/perform/get knowledge of Drug research (Principles, Instrumentations & Application of instruments related to Quality control & standardization aspect) & submit the record of the same in the concern department (Dept. of Research Methodology & Medical Statistics). As the Pharmacy Institutes especially deals with all these aspects (Manufacturing, Standardization, etc.) related with drugs & your esteemed institute has detail & good setup of all these practicals, so it is our request to permit our First year MD/MS students to visit Dept. of Pharmacognosy, Pharmaceutics & Pharmaceutical Chemistry of your college to attend theoretical presentation & practical demonstration of above mentioned practicals.

There are 11 students in a batch & one faculty (Dr. Atul G. Ginode, Associate Professor, Dept. of Research Methodology & Medical Statistics, R. T. Ayurved College, Akola - 9420006323/ 9881938144) will accompany them.

We assure you that our students will maintain all the discipline & dignity of your college.

So it is our sincere request that kindly permit the first year MD/MS students of our R. T. Ayurved College, Akola to visit your institute.

Thanking you in anticipation.

Your's
